

Every body needs to know project

Special offer for schools teaching students with disability

Student education
and professional
development package
valued at \$3500
for only **\$550**

The package may include:

- Relationships and sexuality education lessons
- Team teaching with a True educator
- 2 hour professional development session
- Co-presenting of parent/carer education sessions
- Support in responding to sexual behaviours
- Reflective practice and support through a feedback process
- Certificate for continuing professional development

Our staff wanted to increase skills that would enable us to provide relevant sexuality information to our kids... provide the students with the skills to protect themselves. Our kids have high support needs and we require an approach that caters to their diverse and complex needs. True provided support to staff with parent education. They came and helped our staff with professional development, program planning and team teaching as well as policy writing, modelling and observation.
