Brisbane Convention and Exhibition Centre

Symposium 2026

Advancing sexual and reproductive health

Connecting health and education professionals to advance inclusive, evidence-informed practice in sexual and reproductive health.

ceu@true.org.au
true.org.au

About True

True Relationships and Reproductive Health was formed in 1971 as Family Planning Queensland, opening its first clinic in 1972. True is a profit-for-purpose organisation improving sexual and reproductive health and advancing safe, respectful relationships for all Queenslanders, through the delivery of clinical, education, and counselling services, and health promotion and advocacy to reduce inequities and improve outcomes. We achieve social change and lasting impact through culturally responsive, evidence-informed practice, integrated service delivery and strong community partnerships.

About the True Symposium

Following the successful sell-out 2025 event, True Symposium 2026 has expanded to two days and a larger venue.

Day one focuses on Comprehensive Sexuality Education (CSE), supporting teachers and professionals working with children and young people to deliver evidence-informed, age-appropriate education that promotes wellbeing and respectful relationships.

Day two offers sexual and reproductive health education for GPs, nurse practitioners, nurses, midwives and other healthcare practitioners.

120 in-person delegates daily.

Unlimited online delegates daily.
(at least 100 expected)

30

sector & sponsor delegates daily.

Sponsorship opportunities

- Connect with a highly engaged audience of clinicians and educators
- Align your brand with leading evidence-informed practice and comprehensive sexuality education that empowers safe and respectful relationships and improves health outcomes
- Strengthen your profile and relationships across the sexual and reproductive health sector

As a sponsor of the True Symposium 2026, you will have the opportunity to connect directly with delegates through networking opportunities and a dedicated exhibit space. Sponsorship tiers offer additional meaningful engagement options and visibility across event materials and communications.

Your support will help strengthen the knowledge and confidence of healthcare providers and educators across Queensland, contributing to improved access to care and better health outcomes for individuals and communities. We value the opportunity to partner with organisations that share our commitment to education, equity, and sexual and reproductive health for all.
